Scribal Skips: 1300 Words That Fell Out of the Bible
By Wayne A. Mitchell

In *Scribal Skips*, the author presents a list of verses from Genesis to Revelation with words restored that have evidence of having fallen out of manuscripts from scribal skips.

"This book is an amazing feat of industry, and will be a very useful tool for both the text critic and the exegete."

—Peter Rodgers
Adjunct Professor
School of Theology
Fuller Theological Seminary

"A new and original source of texts for daily devotions and Sunday sermons."
